IN THE CLAIMS:

Please amend claims 17 and 33.

17. (Amended) A composition comprising carbohydrate and peptide material; and in addition, two free amino acids consisting of leucine and phenylalanine, wherein each free additional amino acid is present in an amount in the range of 0.2 to 20 weight percent, calculated on dry matter basis, and wherein each said additional amino acid is distinct from any free amino acid that may be present from the peptide material.

33. The composition according to claim 17, wherein said composition further comprises at least one member selected from the group consisting of a vitamin, a flavor, a mineral, a lipid, and a protein.

See Appendix.
